AMERICOMP Dealer Notice January 31, 2012

EXTRAORDINARY CHIRO SPECIAL!

In these tough times, customers continue to look for maximum value, so we are continuing the Skinny AC1se offer. The new **Skinny AC1se** is a slimmer AC1se Chiropractic system that retains the key features, but delivers the lowest possible cost to the marketplace.

See the following pages for details on the new Skinny system with an optional wallstand, and other options.

Why sell used when you can buy a high frequency chiropractic system for around \$ 9,000?

For a limited time only, we are pleased to provide a ***special low net price*** for two Skinny AC1se systems:

Standard Frequency for \$ 8,360 net

Spectra 30HF system for \$ 9,120 net

To take advantage of this offer, place your system order **by March 30, 2012**, with shipment no later than April 27th.

Hurry !don't miss out.

Because this is a stripped down system, there is additional money to be made on the options at 50% off of list, read on for details.
