Celebrating 15 YEARS in business!
Terms & Conditions

Terms

• Net 30 days for approved accounts.
• New accounts may be opened on a Prepaid basis pending credit approval.
• Freight Charges are prepaid and added to the invoice.
• Invoiced shipping, handling, and insurance charges are $6.95 or greater, depending on actual freight costs.
• FOB Destination: Freight Prepaid and Added from Nashville, TN, USA, or other authorized location.
• In Tennessee, Sales Tax is billed unless a valid exemption certificate is on file with Techno-Aide at the time an order is placed (Required by Federal Law).
• International Customers: All terms and policies are governed by specific Pro Forma Invoice.
• For your convenience, we accept MasterCard, VISA, American Express and Discover for prepaid orders.

PRICING: We reserve the right to change prices or discontinue products without notice, but only as a last resort.

SPECIAL NOTE: Motor freight companies will not unload shipments to accounts who do not have a suitable commercial height receiving dock, nor will they unload large or heavy items to ground level. Many times, however, advanced arrangements for curb-side unloading can be made by facility personnel or the shipment can be made to your location for dealer delivery. For an additional charge and notification at the time of order, “Inside Delivery” or Cartage can be requested. The specifics of this service, however, are governed by your local freight terminal.

Return Policy

• Products cannot be returned to Techno-Aide, for credit or otherwise, unless accompanied by a Return Authorization Number issued by the Customer Service Department.
• All authorized returns are subject to a minimum 20% refurbishing and reconsignment fee.
• All protective apparel returns are subject to a minimum 50% breakdown and restocking fee.
• All returns must be shipped in the original packaging.
• No returns 45 days past the invoice date will be allowed.
• Techno-Aide will authorize returns for complete credit in the case of Techno-Aide error or defective merchandise.
• A Credit Memo will be issued only after the returned merchandise has been received and inspected by Techno-Aide.
• No returns will be allowed for personalized, custom items or Designer Colors unless they are defective.
• Damages on returned items are the responsibility of the shipper. For proper credit to be considered, every effort should be made to assure a damage-free return.

Damaged Goods Policy

• The carrier has signed for receipt of merchandise from our factory and has accepted them in good condition.
• If your shipment arrives damaged or incomplete, it is the consignee’s (ship-to) responsibility to note visible damage or shortages on the Bill of Lading BEFORE the carrier leaves. FAILURE TO NOTE ANY DISCREPANCIES ON THE BILL OF LADING WILL VOID ANY ATTEMPTED FREIGHT CLAIM and/or DELAY OR FORFEIT ANY CUSTOMER CREDIT.
• Techno-Aide will be glad to assist you by having an inspector from the carrier come to inspect the shipment and by working with you for any necessary replacements. Replacements are treated as separate orders, requiring their own purchase order number for billing. Any possible credits will be issued on the original order.
• Whether the damage is visible or concealed, KEEP ALL PACKAGING MATERIALS FOR THE CARRIER INSPECTOR.
• Reporting and inspection must be made within seven (7) days after delivery. Delayed reporting can delay or void the carrier’s responsibility to pay your claim and negate any credit for freight damage from Techno-Aide.

Techno-Aide also manufactures a complete line of diagnostic imaging products that includes lead aprons, carts, cabinets, and many other accessories. Please call us or check our website for more details. And, if you don’t find what you’re looking for, let us know! www.techno-vet.com or www.techno-aide.com.
